# Catalyst/Hall

**SOUTH HAMPTON  
REFINING CO.**

In June 2005, The Catalyst Fund and Southwest/Catalyst Capital funded \$2,000,000 to South Hampton Refining Co. in expansion capital. South Hampton is one of America's largest producers of petrochemical grade pentanes and hexanes (solvents) for synthetic polymer production.

For more information on South Hampton, please visit their web site at [www.southhamptonrefining.com](http://www.southhamptonrefining.com).
